

ORTHODONTICS

WELCOME

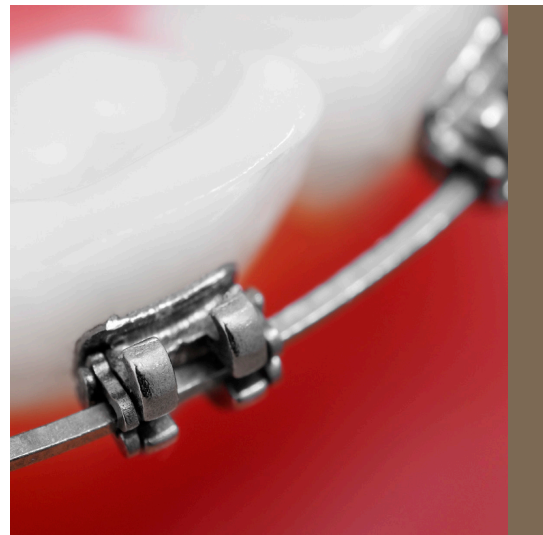

For over 35 years, we've been known for the level of service we provide and the exceptional results we achieve. We are proud of our warm, welcoming atmosphere and we're excited to carry that forward with the addition of in-house orthodontics to our practice. Dr. Cherry will personally diagnose your case and see you at every visit until your NEW SMILE has been achieved. Please don't hesitate to let us know if you have any questions or concerns. We look forward to serving you!

: Dr. Willaim J. Cherry, DMD has been practicing orthodontics for over 20 years. He served as a dental officer in the United States Air Force and completed his orthodontic residency at the State University of New York at Buffalo School of Dental Medicine.

Dr. Cherry will personally see you in our office, diagnose your case, and continue to monitor your progress at every visit until your New Smile has been achieved.

Your orthodontic team meets frequently with Dr. Cherry to assure that you are receiving the highest level of care.

- We offer state-of-the-art brace systems as well as Invisalign® treatment options.
- We use invisible ("clear") retainers whenever possible.
- Our team can provide "Before and After" keepsake photos at the completion of your orthodontic treatment.

What makes our office unique?

It is always our goal to create harmony between function, health, and beauty. Our team strives to not only meet your dental and orthodontic needs, but to always exceed your expectations!

INVISALIGN®

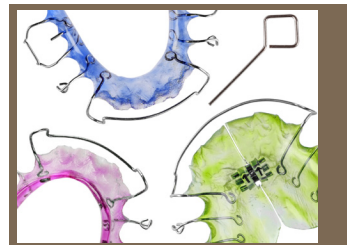

We offer state-of-the-art brace systems as well as Invisalign® treatment options. For more information on Invisalign®, visit our website at www.Grove.Dental/ortho

STATE OF THE ART DIGITAL IMAGING

We use a digital camera and imaging as part of our educational system to demonstrate different treatment steps and options.

FLEXIBLE PAYMENT ARRANGEMENTS

We offer flexible payment arrangements for those who qualify, as well as insurance billing services.
